

Privacy policy

FXZENITH ("FXZENITH") is a registered company in the Comoros Islands and a brokerage firm licensed in the Comoros Islands. The service name for this website is FXZENITH.

FXZENITH has created this Privacy Policy ("Policy") to govern FXZENITH's use of your personal information, including, but not limited to, users of our website, <https://fxzenith.com/>, and our products, services and applications, both online and offline. To provide an overview and explanation of how we handle the personal information of individuals, including, but not limited to, users of our website and our products, services, and applications, both online and offline.

FXZENITH (hereinafter referred to as "FXZENITH" or "we" or "us") does not target EU/EEA clients. Notwithstanding the above, for visitors/clients/users of the website to whom the law of the European Union applies, this Privacy Policy, the GDPR itself and the following legal references to the provisions of the GDPR shall apply.

This policy is intended for individuals who are current and/or potential customers of FXZENITH, or authorized agents/representatives or beneficial owners of legal entities, or current and potential customers.

FXZENITH collects various types of information, including information that identifies you as an individual. (This is referred to as "personal data" or "data").

FXZENITH is committed to protecting your Personal Data and respects your privacy.

By continuing to use this website and/or other services and products offered by FXZENITH, you confirm that you are of legal age, expressly agree to this Privacy Policy and consent to FXZENITH processing your data by manual or automated means. You agree that FXZENITH may process your data by manual or automated means.

This includes collecting, recording, organizing, structuring, storing, adapting or modifying, retrieving, consulting, using, disclosing by transmission, publishing, disseminating or otherwise making available, aligning or combining, limiting, erasing and/or destroying personal data.

Customer Obligation to Notify Us of Changes and Modifications to the Privacy Notice It is important that the personal information we hold about you is accurate, complete and truthful at all times.

Please notify us if your personal information changes during the course of your relationship with any FXZENITH affiliate.

In addition, you provide your implied consent to data processing/transmission/recording between such affiliated entities, regardless of their location, registration or operations.

Data We Collect About Our Customers Personal data, or personal information, means any information about an identified or identifiable living individual. However, it does not include data that has been de-identified (anonymous data).

Information may be obtained in a variety of ways, including, but not limited to, information you provide to us and/or information we collect. We may collect, use, store, process and transfer various types of personal data about you that we may have or obtain, including identity, contact, financial, transactional, technical, profile, usage history, marketing and communications data.

We also collect, use and share aggregate data, such as statistical and demographic data, for any purpose.

We collect information regarding criminal convictions and offenses and politically exposed persons "PEPs".

FXZENITH may maintain customer/potential customer details through international databases.

FXZENITH may also collect and process personal data lawfully obtained not only from customers but also from within FXZENITH or from other third parties (credit reference agencies, public authorities, companies/persons who have referred customers).

We may also collect and process personal data lawfully obtained and authorized for processing from publicly available sources such as the Registrar of Companies, the Land Registry, the Commercial Register, the press, the media and the Internet.

Purpose of Data Collection/Personal Information Collection For example, when you use the website, your data details are automatically registered by our servers, including your IP address, browser, content viewed, how you accessed the page, and personal identification information.

In addition, we collect and store information such as your name, address, e-mail address, telephone number, date of birth, gender, and other data that you send us by filling in online forms, submitting information from portals, and/or through other newsletters, product demos, etc.

The main purposes of data collection are To Comply with national and international laws and regulatory/supervisory provisions To identify and qualify customers for products and services offered and provided by FXZENITH;

Improve the quality of services to individuals/companies; and Research and statistical analysis; and To facilitate technical administration;

To understand your online website behavior and trends; and Improve the quality of our services and develop new services; and Protect against fraud and abuse and to improve security; and to provide you with transactional and post-transactional services; and to inform you about products and/or services that we think may be of interest to you;

Network and Information Security;

All personal data will be stored in accordance with applicable data protection laws.

Data Disclosure

Please note that FXZENITH will only disclose website usage data and/or personal data to third parties if permitted by law, if FXZENITH is legally obligated to do so, or if disclosure is necessary to enforce claims arising from a contractual relationship.

Such disclosure may also be made by FXZENITH without prior notice to you if necessary to comply with a judicial or other proceeding, court order, legal process or governmental, intergovernmental or other regulatory authority.

We are not responsible for any illegal or unauthorized use of your personal information, password, username, login, etc. due to misuse or misplacement of password, negligent or malicious intervention, or otherwise.

Your personal information will be shared within FXZENITH, as well as with business introducers, affiliates, other third party service providers, financial institutions, banks and other similar organizations with whom we deal in the course of our business, auditors, lawyers, accountants and other external parties located in foreign countries in order to fulfill our obligations arising from the contract service providers and professional advisors, and to third parties as necessary to process transactions, provide services requested by you or for transaction reporting purposes. (but not limited to).

Monitoring and Recording

FXZENITH will monitor and record communications with its customers, whether in writing, by telephone, or by e-mail, as required by law.

Security

FXZENITH takes all appropriate security measures to ensure that personal data/data collected and stored in connection with your visit to the website and/or the services and products offered by FXZENITH are protected from any unauthorized access, misuse, loss and/or destruction.

We have taken all appropriate security measures to ensure that personal data/data collected and stored in connection with the services and products offered by FXZENITH is protected from any unauthorized access, misuse, loss and/or destruction.

FXZENITH uses physical and electronic security measures, including but not limited to the use of firewalls, personal passwords, encryption and authentication technologies.

FXZENITH employees and service providers are required to maintain professional confidentiality and comply with all data protection regulations.

Access to personal data is restricted to specific employees, contractors and third party service providers who need such access in order to process the contract between FXZENITH and the customer, all on a "need to know" basis, in order to be able to perform all obligations arising from the contract in force.

While we use our best efforts to avoid information/data leaks, you should be aware that data transmitted over open networks such as the Internet cannot be completely protected from access by third parties.

While we take every precaution to protect your personal information, you transmit any data over the Internet at your own risk. Please note that your activities while using this website may be recorded and analyzed for a variety of purposes, including security, marketing and system monitoring.

FXZENITH adheres to strict security standards and uses the latest security technology.

COOKIES

The FXZENITH website uses cookies for statistical purposes and to improve the quality of service to our users.

Cookies are small files that are stored on your device through your web browser when you visit the FXZENITH website.

They store information such as your specific preferences when using the website. Please note that you can set your browser to refuse certain cookies.

There are different types of cookies, including ID cookies, which do not expire when you close your browser, and persistent cookies, which remain on your hard drive for a period of time.

If you do not want to receive cookies, you can change your browser settings to reject all cookies or to have your device notify you each time a cookie is sent, You may then be able to choose whether or not to accept cookies.

We strongly recommend that you enable cookies on our website to ensure that you have the best possible experience.

Disabling cookies may result in slower performance of the website and trading platform, and may also affect the quality of service we provide to you in connection with your account with us.

Third Party Links

This website may contain links to "third party websites" that are not operated or controlled by us. Such third party sites are not bound by this Privacy Policy and we are not responsible for their content.

We make no warranties or representations regarding the content of such third party websites. Your use of any link to a Third Party Website is at your own risk and discretion.

Retention of Records FXZENITH will retain personal data/data storage.

FXZENITH is not obligated to delete data created in accordance with automated archiving and backup procedures in its IT systems if deletion is not possible or cannot be done without a commercially unreasonable effort.

For prospective clients, personal data (or authorized agents/representatives/beneficiaries of corporate prospective clients), FXZENITH will retain personal data as long as it is legally entitled to do so, unless a formal request for deletion from the records is made.
